unlawful activity, policy, or practice to the attention of CMSA and provides CMSA with a reasonable opportunity to investigate and correct the alleged unlawful activity.

CMSA will not retaliate against a member who in good faith has made a protest or raised a complaint against some practices of CMSA, or of another individual or entity with who CMSA has a business relationship on the basis of a reasonable belief that the practice is in violation of law, or a clear mandate of public policy.

BOARD NOMINATIONS

Policy: All individuals with a demonstrated commitment to the goals of the organization, wishing to be nominated for a vacated Board seat, must be members of Chicago MSA on a date set by the Board. A nomination meeting is scheduled; generally during the last week of June prior to when Pride Parade Weekend is celebrated. Anyone wishing to run in the general election must be nominated and seconded at the nominations meeting, and must be present to accept the nomination. All candidates to the Board must have been active members of Chicago MSA, in good standing, for a continuous period of one (1) calendar year immediately preceding the date of the scheduled nominations meeting. No nominations are accepted after the nomination meeting is adjourned.

Procedure: The nominations date is set and disseminated to the members at least two months prior to the nominations date in the most modern form of communication(s).

BOARD ELECTIONS

Policy: The general election is held a selected day in the last two weeks of July. All those wishing to vote in the election must be members of Chicago MSA on the date of the election. All those, then members, must be present at an election site, and at a prescribed time, to determine a quorum as ordered by the Corporate Bylaws. Voting is then held under the guidelines set forth in the Bylaws, and the procedure designed by the Board of Directors, until all seats are filled.

Procedure: Members are asked to be at the election site absolutely no later than 7 pm on the date publicized. The doors to the election site are closed. A roll is taken by member attendance shown on a sign-in sheet. Member names are verified as to due date. Once a legitimate quorum has been determined the election proceeds. Members are informed of the number of votes needed to elect. Board seats vacated by term are announced. Candidates are then introduced by a number draw (1 through n) and

allowed to speak on their own behalf. Questions from the floor are permitted. After the candidates have been presented, ballots are handed to MEMBERS ONLY. (Several non-members generally attend the election.) Ballots list candidates in alphabetical order. Members are then to vote for as many candidates as they wish up to the amount of vacated Board seats. Those ballots containing more votes than there are allowable vacancies are not counted. Only Directors not seeking re-election may count ballots. Usually an additional Association member is asked to supervise the count. Election is announced for each candidate as it is achieved. When total election is not achieved on the first ballot, the lowest vote getter is dropped, and the members are asked to vote again from amongst the remaining candidates. This process is continued until all seats are filled. Election is conferred by a simple majority as set forth in the Bylaws. When the number of nominees is equal to the number of vacated board seats, all candidates must achieve a simple majority of the quorum. If the candidate does not achieve a simple majority, the board will then accept new nominations from the membership present and from amongst its own ranks at its next regularly scheduled meeting, from which an appointment will be made. Election count is not offered at election night, but must be provided if demanded by the membership. Ballots are kept indefinitely on file.

OFFICER NOMINATIONS

Policy: Once election is complete, the newly elected board will hold a meeting at the Election meeting to determine the officer position the elected board will hold for the next year.

Procedure: Current President opens nominations for the Elected Board at the Election meeting with those that have been elected for each position until they are filled. The current President can defer to a past President to hold this election if he is seeking to fill one of the officer positions.

HALL OF FAME

GENERAL

Policy: The Chicago Metropolitan Sports Association (CMSA) Hall of Fam exists to recognize, celebrate, and honor those members, contributors, and supporters whose leadership and dedication have enhanced the success, tradition, and integrity of CMSA and who have promoted and built the league within the community.

Procedure: As set forth below, the CMSA Hall of Fame Committee will solicit applications, determine membership, and induct new members on an annual basis or as often as the Committee deems appropriate.

HALL OF FAME COMMITTEE SELECTION AND REMOVAL PROCESS

Policy: At the beginning of each fiscal year, the CMSA President will select no fewer than four and no more than six members to form the annual CMSA Hall of Fame

Committee, with one of the appointees named "Chairperson." All members selected must be approved by the CMSA Board of Directors and will server for a period of one year. The CMSA President will also sit on the CMSA Hall of Fame Committee. The CMSA President will not be the Chairperson.

Procedure: To be selected, the appointee must either be (a) a CMSA Member for at least two years and in good standing with CMSA for at least the last year before appointment or (b) a current CMSA Hall of Fame member, in good standing for at least the last year of their membership with CMSA. The committee appointees should reflect the demographic breakdown, if possible, of CMSA. All appointee recommendations must be submitted to the CMSA President by August 15 of each year, and the CMSA President must make selections by September 1. Any time a current member of the Committee vacates his or her position in the middle of the term, the CMSA President will move to fill the position as soon as possible using the qualification information above.

A member may be removed from the Committee if the Committee determines by majority vote that the best interest of the Committee and CMSA will be served by removal. Quorum to hold a removal vote is a majority (greater than 50%) of the Committee membership.

HALL OF FAME MEMBERSHIP SELECTION PROCESS

Policy: The CMSA Hall of Fame Committee shall solicit applications for Hall of Fame membership, determine membership, and plan and run an induction ceremony for all new members.

Procedure: The CMSA Hall of Fame Committee shall meet as often as is necessary throughout the fiscal year to determine CMSA Hall of Fame membership. While there is no specific set of quantifiable criteria for membership selection, the Committee shall be guided by the CMSA Hall of Fame mission statement, which is to recognize, celebrate, and honor those members, contributors, and supporters whose leadership and dedication have enhanced the success, tradition, and integrity of CMSA and who have promoted and built the league within the community. CMSA Hall of Fame Committee members are eligible for Hall of Fame membership, but they will recuse themselves from discussion and voting for their own membership application.

The Committee shall solicit application for Hall of Fame membership from the Current CMSA membership on an annual basis. The Committee shall give CMSA Membership a reasonable time to submit applications. The Committee shall then Review the applications, follow up with nominating members or applicants as Necessary for more information, and vote on CMSA Hall of Fame membership. In order to be selected for Hall of Fame membership, an applicant must receive at least 2/3 of the vote of the Committee members for any vote. Quorum to hold a Hall of Fame membership is a majority (greater than 50%) of the committee membership. This process should take place at least once per fiscal year. All votes are final and not appealable.

If no applicants receive at least 2/3 of the vote, no new members will be inducted. While the Committee may consider past applications, all nominating members are encouraged to complete new applications or update previous applications for each application process.

If even one applicant receives at least 2/3 of the vote, the Committee shall plan and run an induction ceremony for the applicant(s). The Committee shall invite and encourage attendance from all current CMSA Hall of Fame members, the CMSA Board of Directors, and any others as determined by the Committee. When Possible, the induction ceremony shall take place within the same fiscal year as the selections.

SEXUAL ORIENTATION

Policy: Chicago MSA is a primarily LGBT organization serving the men and women of the Chicago land area. While Chicago MSA does not discriminate on the basis of sexual orientation, Chicago MSA discourages organizers of teams participating in an Athletic Division/Committee from "stacking" with non-LGBT members with the express intention of winning. Non-LGBT individuals shall not participate at the expense of an LGBT person. Chicago MSA relies on the integrity of its managers/captains/coaches to determine the justification for a non-LGBT participant.

GENDER IDENTITY/EXPRESSION POLICY

Policy: CMSA welcomes and encourages people of all genders to participate in its sports programs.

Procedure: It is not a requirement for any person to undergo hormone therapy, surgery, or other treatment in order to play in their chosen league. Cisgender athletes may play in any open league of their choice and are not required to explain, justify, or provide documentation supporting this choice. If issues arise regarding an athlete's gender identity or expression, the league Commissioner will be available to mediate, answer questions, and provide resources. To ensure competitive balance and for the safety of all CMSA members, all athletes, regardless of gender identity, will be subject to movement to a higher or lower division or a different league based on skill level of play. All athletes must also play under the existing rules of the league they have chosen.

Glossary:

Cisgender: An individual whose gender identity aligns with the gender they were assigned at birth.

Transgender: An individual whose gender identity and/or lived sex does not align with their sex assigned at birth and who may desire physical transition, which may include, but is not limited to, hormones and/or gender confirmation surgeries.

Gender non-conforming: An individual whose gender expression differs from or does not conform to societal expectations of their gender.

TRAVEL EXPENSES

Policy: In any sport where it is mandatory that Chicago MSA be represented at annual or semi-annual meetings of a national organization, Chicago MSA will budget into the respective sports fees a designated sum of money which will ASSIST the Organization's elected or appointed national representative with his/her expenses. Representatives need not accept assistance.

Procedure: The Board will determine needed fees as required, based on its own research of available transportation and accommodations. Representatives are to submit an expense report relevant to transportation and lodging for appropriate reimbursement where applicable.
